

**PALESTINE ISD
PALESTINE HIGH SCHOOL
CHEERLEADING/MASCOT**

**2017-2018
CONSTITUTION**

PURPOSE

The purpose of the PHS cheerleading squad/mascot is to effectively execute a school spirit program that supports the athletic teams and promotes the school itself. Cheerleaders will serve as positive role models and leaders for PHS and should promote sportsmanship and good citizenship within our school and among other schools. The high priority should be to display and encourage spirit and pride for Palestine High School.

OBJECTIVES

Being a cheerleader/mascot is an honor and a privilege. Cheerleaders should exemplify both individual and group behavior suitable to their position and in accordance with the rules as stated in the PISD Student Code of Conduct. Members of this group have a fundamental responsibility to play a leadership role in building teamwork and helping the school achieve its goals and objectives. Because of these responsibilities, members will be expected to maintain a higher standard of behavior both on and off campus and to promote high academic achievement among their peers.

Cheerleaders are expected to be physically and mentally skilled in learning and remembering cheers, dances and routines. They are also expected to be able to publicly demonstrate a skill level suitable for the team position. Off the field they are to enthusiastically support all athletic teams through advertisement, personal attitude, and attendance at any event chosen by the sponsor(s) and approved by the principal.

CHEER COMMITMENT

- Candidates selected to be a member of the cheerleading squad are expected to make a commitment to the cheer program for the full cheerleading year. Any cheerleader who voluntarily quits the squad before the end of the cheerleading year will not be allowed to try out for the next school year.
- Cheerleaders are required to be at all scheduled practices, games, and events. Failure to show up on time and stay for the entire planned practice/ game/ event will result in disciplinary action and may ultimately lead to removal from the squad. School related functions are not counted against the cheerleader.
- A student who misses a cheer event for practice of another sport or school activity must notify the sponsors three (3) days prior to the absence in order to work out an alternate schedule.
- Any practice that is missed due to an excused absence from school will not count against the student. Students will be dismissed if they have more than nine (9) absences in any one class per semester (by review of administration and sponsor[s]).
- A student must be in attendance for the entire duration of the practice or scheduled event. Arriving more than fifteen (15) minutes late, or leaving more than fifteen (15) minutes early to a practice or scheduled event will count as an absence and will be subject to disciplinary action.

MASCOT COMMITMENT

The responsibilities of the Wildcat mascot are:

- Preparing skit for pep rallies, as needed
- Assist cheerleaders with promoting school spirit
- Interact with the crowd at scheduled sporting events
- The mascot is required to attend cheer camp.

TRYOUT – Selection Process

- PHS will have a centralized tryout for the selection of the high school cheerleading squads. The goal is to provide a consistent, equitable and monitored tryout process for all high school cheerleader candidates.
- The tryout date is determined by the sponsor(s) and will be posted and announced to students at least one month prior to the tryout date.
- High School cheerleaders shall be selected by a scoring method that assigns a weight of 80% to the scoring of judges and 20% to the average of teacher recommendations. Teachers will rate students according to their behavior, work ethic, leadership, ability to work with others and character. These scores will be averaged and calculated as 20% of the candidate's total score.
- Numbers will be drawn during clinic to determine tryout order.
- Applicants will be judged on motions, voice projection, jumps, tumbling (mats will be provided) and dance.
- Students may not leave the designated waiting area until tryouts are complete. Tryouts are CLOSED to the public for cheer clinics, mock tryout, and cheer tryout.
- After tryouts are complete, students will be asked to leave campus. Once scores are tabulated the results will be posted on the school district website on the Friday following tryouts at 6:00 p.m.

TRYOUT - Squad Membership, Judges and Scoring

- The varsity squad will be made up of a minimum of 10 cheerleaders, with a maximum of 16 cheerleaders with no more than a 5-point difference between scores. The squad will be made up of the top scoring sophomores (who choose to try out for varsity), juniors and seniors. Freshmen typically do not make the varsity squad, however, exemptions can be made at the sponsor(s) discretion. If male cheerleaders make the squad, there can be up to a total of 18 cheerleaders.
- The minimum scoring requirement for varsity members is 50 points.
- The junior varsity squad will be made up of a minimum of 10 cheerleaders, with a maximum of 14 with no more than a 5-point difference between scores. The squad will be made up of the top scoring juniors, sophomores and freshmen. The minimum scoring requirement for junior varsity members is 35 points.
- All candidates must meet the minimum scoring requirements in order to be placed on a squad. In the event there are not enough candidates who earn the minimum score, the squad membership may be smaller than the maximum number allowed.
- In the event that a cheerleader quits or resigns BEFORE summer camp, the next candidate in line of scores will be the replacement. There will not be any replacements after summer camp. Members will not be allowed to return once he/she quits the squad or withdraws from Palestine ISD.

- There will be a 3 judge panel. Judges will be selected from professional cheerleading associations, universities and/or out-of-district sponsors.

3

Judges will not be hired to judge tryouts if they have tutored or taught the cheerleader candidates during the current school year. Every attempt will be made to hire judges who have not worked with students in the Palestine area. Professional judges will be instructed to judge the candidates based only on mastery of skills that they demonstrate during tryouts.

- PISD cheerleader sponsors/drill team coaches or employees of Palestine ISD may not serve as a judge for cheerleader tryouts.
- Each judge will enter each candidate's scores on a pre-designed score sheet. Tabulations will be checked by a technical assistant and then prepared for tabulation. The judge(s) scores will then be averaged with the teacher recommendation for final scoring. Candidates will be ranked from high to low and the appropriate number selected for each squad. Scores will be calculated to three decimal places.
- Each candidate must score the minimum percentage of points for his/her squad in order to be placed on a cheerleading squad.
- Scores will remain with the principal until candidates are notified. Original scoring sheets will be retained for 30 days following the tryout date. Scores given for a student by an individual judge will not be changed by a coach, technical assistant, principal, or principal designee.
- In case of a tie, both students shall be selected.

TRYOUT - Exceptions

A previous cheer video of the student may only be used after notification to the cheerleading sponsor(s) and only in case of recent surgery or broken bones that impair a student participating in a specific skill of the tryout. A medical doctor's note indicating the specific skill the student is incapable of performing will be required prior to video use. If the video is used, only a small segment of the video that shows the specific skill done by the student prior to tryout may be judged. A video may not be used showing the individual performing in a competition setting, All-Stars or Nationals, etc. Sponsor(s) will make the guidelines available to the judges if a video is used for tryouts.

TRYOUT - Parent Request for Scores

Any student's request to receive his/her scores must be made through written request from a parent/guardian. Parents may request to see his/her own child's score (no rank score) from the judging panel. By law, all other student scores are protected and cannot be shared with anyone except the sponsor, principal or principal designee.

MASCOT TRYOUT INFORMATION

The mascot will appear before panel of judges designated by the sponsor(s) and principal. Props and costuming should be used. The score will be based on originality, energy and props. Mascots will follow the same tryout guidelines as outlined in the cheerleading constitution. Tryouts will be held after school on the Tuesday following spring break.

CHEER COSTS

After members are selected, the sponsor(s) will determine and schedule fittings for uniforms, shoes, etc. Once the squad selection is complete, a mandatory parent meeting will be scheduled. At that time,

parents/guardians will be given a payment schedule. Parents/guardians will be asked to sign a financial contract agreeing to pay associated costs. The first payment, a deposit, of \$250 will be due at the time of the first fitting. If the cheerleader does not pay the \$250, the cheerleader will not be fitted for a uniform.

4 Not paying the \$250 deposit due at the time of the first fitting could result in the cheerleader being dismissed from the squad. Additional payments will be due before any uniforms or accessories are released to the cheerleader. Unpaid outstanding balances may result in the cheerleader being removed from the squad. A parent meeting with the principal and sponsor(s) will be required. Refunds will not be made for items that have already been ordered.

CAPTAIN AND CO-CAPTAIN SELECTION PROCESS

The sponsor(s) will choose the captain and the co-captain based on a separate try out process. These students will be held to a higher standard and will be required to sign a contract stating their expectations and responsibilities. The student must agree to the standards or forfeit the position to the next appointed captain. If the cheerleading sponsor(s) believe a captain is not meeting the expectation set forth, the coach may remove the captain at any time during the season. Under no circumstances does a captain's position replace any directives given by the sponsor(s).

CHEERLEADER MANAGERS

The sponsor(s) will choose the manager(s) for the squads based on an application and knowledge of the sport.

FUNDRAISING OPPORTUNITIES

There will be designated fundraising opportunities to help offset the costs of cheer participation. All members are encouraged to participate in fundraising events. In order to receive funds from a designated fundraiser, the cheerleader must participate in their scheduled time slot. No credit will be issued for late arrivals or early departures.

Additional activity fundraisers may be held at the sponsor(s) discretion. Proceeds will benefit cheerleading activities.
